ANNOUNCEMENT OF
THE 2018 INTERNATIONAL BID ROUND
FOR PETROLEUM EXPLORATION AND EXPLOITATION

The Egyptian General Petroleum Corporation (EGPC) Invites Exploration & Production companies to participate in the 2018 International Bid Round to explore / exploit Oil and Gas in Egypt. It includes eleven (11) exploration blocks in the Gulf of Suez, the Western Desert & the Eastern Desert sedimentary basins as shown in the map, offered for competitive bidders under Production Sharing Agreements (PSA) Model applicable in Egypt.

- Interested companies can submit their offers based on the announced Procedures, Main Commercial Parameters and the applied Egyptian Production Sharing Model Agreement.

- Principal and Optional Data Packages are available for review and/or purchase through the EGPC Geological & Geophysical Information Center, Nasr City, upon request and according to the determined prices at Information Center premises:

1A Ahmed El Zomer St., 8th District El zohor, Nasr City, Cairo-Egypt, P.O. Box 7628

- The purchase of Principal Data Package of a block is considered mandatory to bid for the same block.

- Basic information and coordinates of the offered blocks as well as the procedures, terms & conditions and the Model Agreement are available at EGPC website: www.egpc.com.eg

The closing date will be on Monday 1st October 2018 at 12:00 noon (local time) at the latest
